SO MUCH FLOWER

at So Little Cost

Our **Flowering Shrubs** are ready to move now into your home grounds, where they will give you flowers and lush green foliage this Summer. Three of the more popular kinds are listed here, but to see our complete stock of improved kinds, be sure to visit our sales ground this week.

Our friendly expert horticulturists will be glad to help with your planting problems. Planting instructions are given gladly.

Dwarf DEUTZIAS (*right*) are just the thing for narrow areas, and under windows, where space is limited. In May the plants are nearly covered with hundreds of tiny white bells.

Hydrangea Pee Gee

QUEEN of the Late Summer—The old-fashioned favorite shrub which is earning new friends every year—**HYDRANGEA PEE GEE**. Late Summer flowers are white, turning pink. Our plants are low in price NOW, and they will be rich in flower this Summer.
